Neopost Acquires IKON Office Solutions' Cincinnati Mailing & Shipping Division

Neopost, the worldwide provider of mailing, addressing, document handling and logistics systems, has purchased the IKON Office Solutions Mailing and Shipping Division in the Blue Ash section of Cincinnati, OH, thus establishing a Neopost office that will serve the Northern Kentucky, Dayton and Cincinnati markets from one central location. The new office will provide direct sales and service support for all mailing and document handling equipment that had been supported by IKON in this region.

Customers of this Neopost office will continue to work with the same tenured local sales and service team, a group with over 75 combined years of industry experience. They will also benefit from the support of Neopost's factory trained technicians, as well as Neopost's complete range of user-friendly and innovative products.

According to Scot Stern, President of Neopost, "Our partnership with IKON allowed us to build countless relationships with customers in this area, and we are thrilled to now serve them as a branch office. Securing the Blue Ash office allows us to further penetrate the mid-west region, and provide customers with simple and efficient mailing processes that help their businesses run more effectively."

Branch office customers with any questions can contact Neopost at the following local numbers: for sales call 513-794-2356 or 1-800-659-7268 ext.356; for service call 888-456-6457 and for supplies call 800-735-5343.
